

REMARKS

Claims 1-42 are in the application. Claims 1 are unchanged from the first Preliminary Amendment, dated December 2, 2003.

Applicants enclose a Substitute Specification-version showing changes (PortInd2-4470394\_1.DOC) and the Substitute Specification-clean version (PortInd2-4470435\_1.DOC) as permitted under 37 CFR 1.125. Applicants found numerous typographical errors, with at least one error in the majority of paragraphs, while reviewing the application for foreign filing. The typographical errors include, but are not limited to, misspelled words, omitted or extraneous commas, commas errantly used in place of a subscript "1", omitted hyphens, omitted reference numerals, and omitted prepositions.

No new matter has been added.

Applicants present claims 1-42 for examination.

Respectfully submitted,

Yunlong Sun, Brady Nilsem, David M.  
Hemenway, and Lei Sun
